DETAILED ACTION

1. This is in response to the Applicant's amendments and arguments July 22, 2004 in which claim 1 has been amended. Claims 1-5 are currently pending.

Allowable Subject Matter

2. After a further search and thorough examination of the present application and in view of the applicant's arguments and amendments, claims 1-5 are found to be in condition of allowance.
3. The following is an examiner's statement of reasons for allowance: in view of the Applicant's remark filed on 7/22/04, pages 5-7, the prior arts fail to teach said base station system inside a transport vehicle having a second antenna to communicate with portable telephones within the vehicle via radio frequency link comprises means enabling the portable mobile terminal to regulate its transmission power.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
